Digital Employer Details Updation

Through Mobile Banking

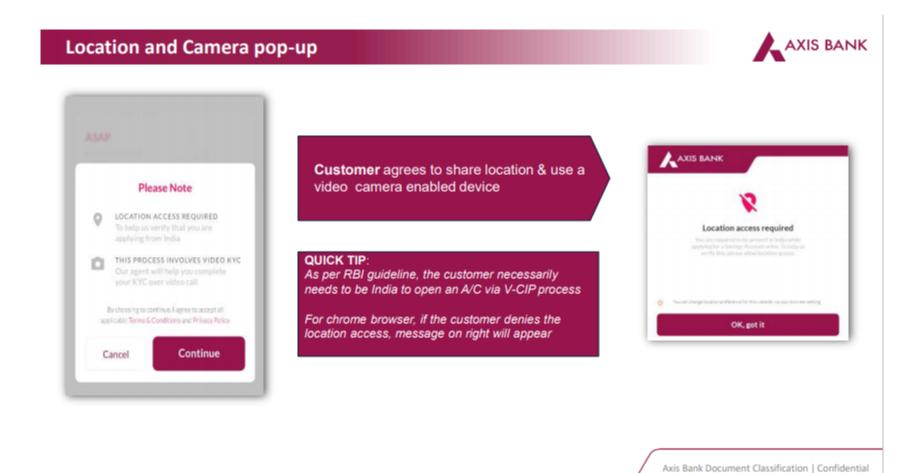

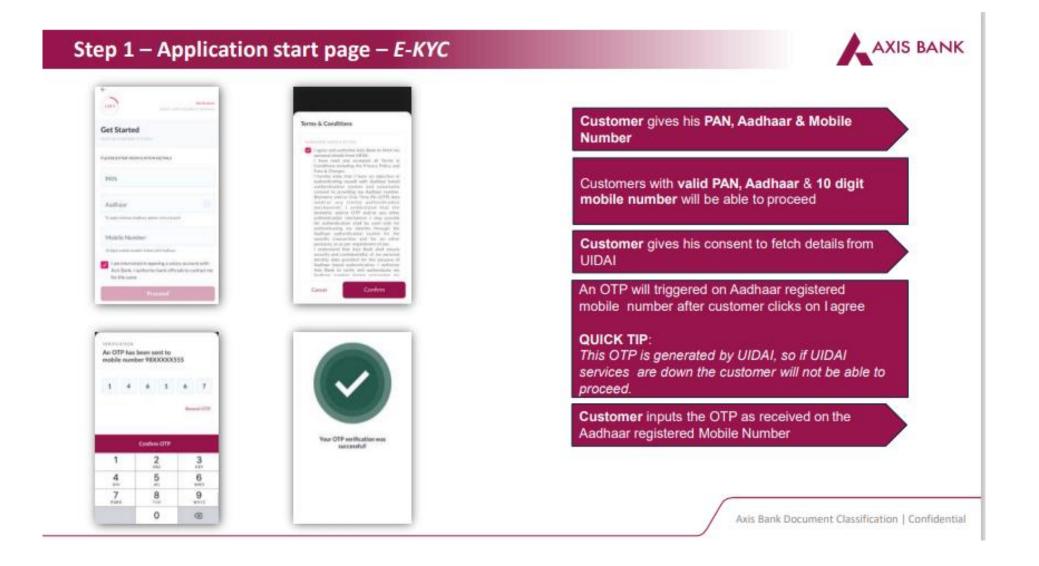

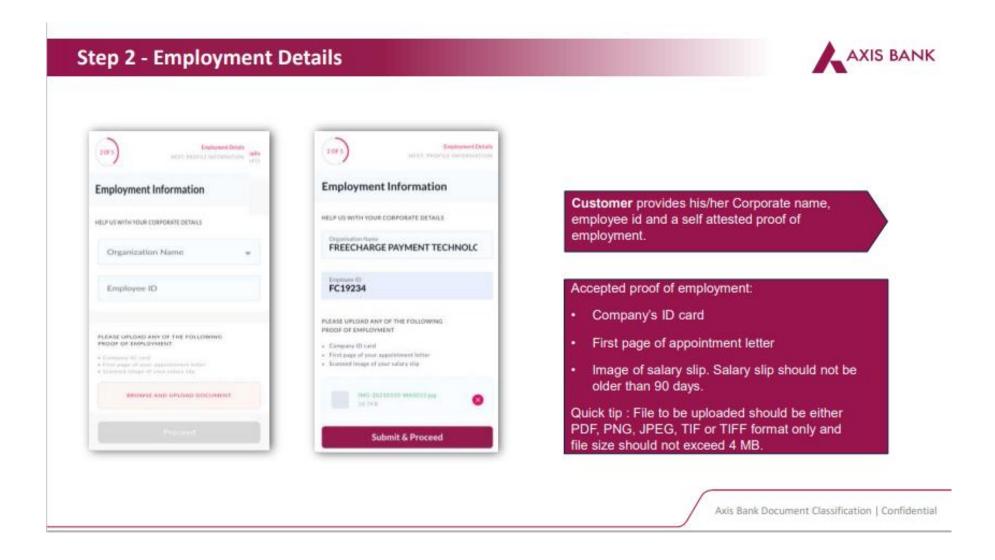

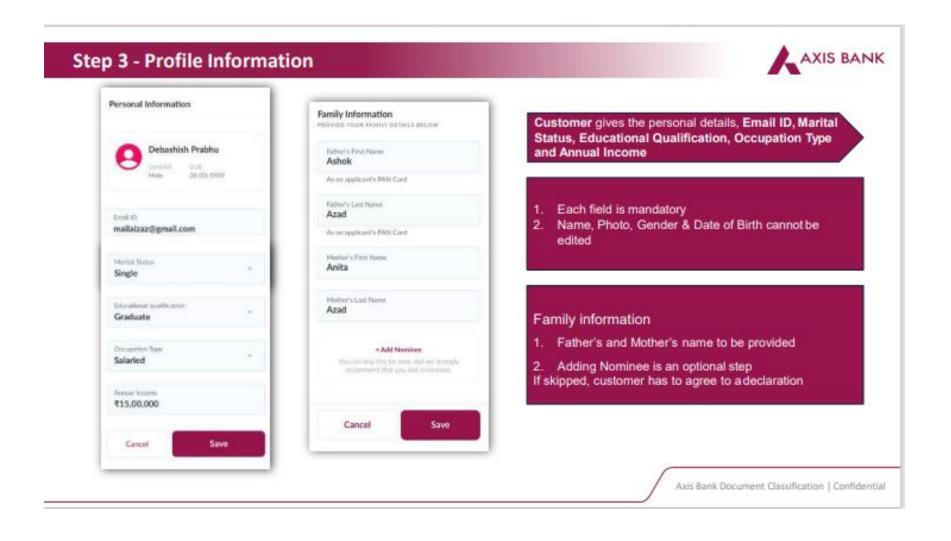

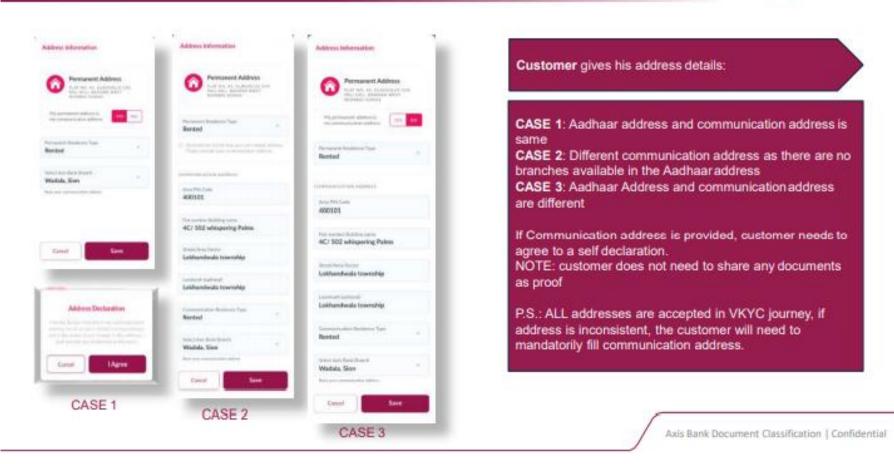

Step 3 - Profile Information - Address

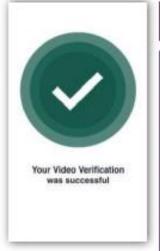

Step 4 - Verification via Video call - VKYC

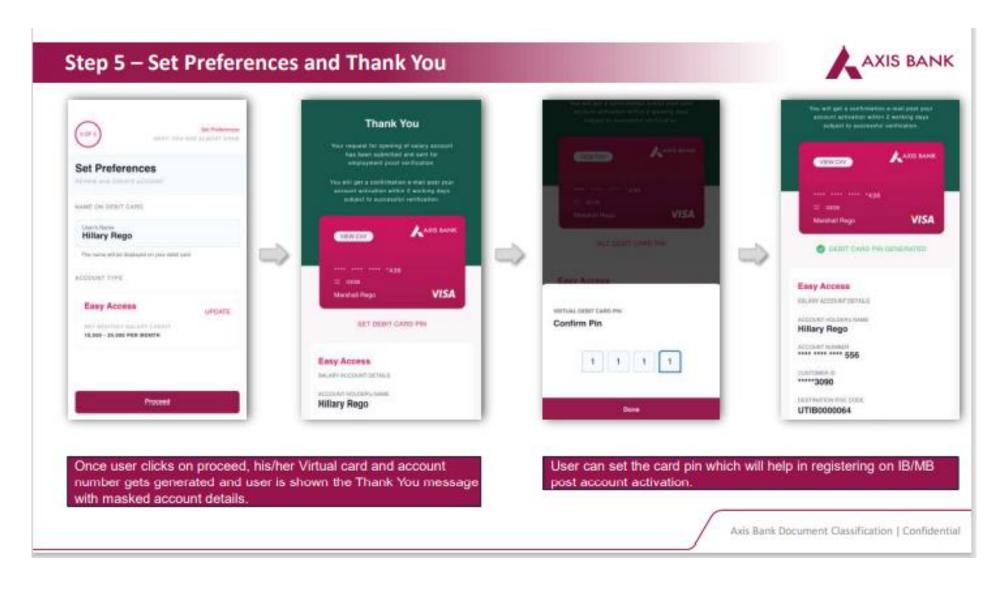

Customer has clicked on Check Agent Availability

After customer is connected to Agent via Chat

- 1. Agent will now Video Call customer for Video KYC
- If customer accepts call, he will have to provide camera and microphone access
- Then customer and agent will get connected via Video call, seen in Screen 2
- Chat and video options are seen as two separate tabs for customer on mobile screen
- Agent will now start Video KYC steps on his dashboard
- Customer will have to answer the verification question
- Customer will have to show the physical PAN card and the image will be captured
- 8. Agent will perform the steps of VKYC
- Basis his/her observation, Agent will Accept or reject the Video verification
